

Industrial Visits

ICQCC 2004 – Bangkok

Industrial Visits (Optional)

For the Industrial Visit, it is a half day program (lunch is included). The factories/companies that we would arrange the visit are the outstanding quality awarded ones such as Deming Prize, National Quality Award, the Prime Minister's Award, QCC National Award. The areas of the visit will be Saraburi, Ratchaburi, Chonburi provinces and Bangkok's perimeter areas. We can ensure you that the program is worthwhile and you will learn a lot to adapt to your organization.

The Overseas delegates are divided into 5 groups of maximum 45 persons for each industry. A chartered bus and the sequential translation will be arranged for each group. Please note that some firms do not accept visitors from the same industry. Therefore, the participants are requested to select the 1st and 2nd choice and leave the grouping to the Secretariat's responsibility.
